Little Greg's Pre School (CLUB LG)

(Name of setting/project/organisation)

recognises its responsibility to ensure the welfare and safety of children and young people.

We use photographs and film for a number of reasons. The main purpose is to celebrate children and young people's successes. Photographs of children/young people enjoying activities may be used on display boards, plasma screens and on our website. Photographs and film will only be recorded and stored on setting owned equipment and will be subject to our image destruction policy.

Additionally your child's image may be used outside of the setting/project/organisation. Common instances may involve promotion of the setting/project/organisation to the local community or in competitions. Images may appear in publications or channels used by the local authority or the media e.g. print, internet.

In order to comply with the Data Protection Act 1998 a lawful basis is required before capturing images of a child. Your child's identity will not be disclosed without your consent and only if the photograph is used to celebrate individual success.
