

### **General Welfare Requirement: Organisation**

Providers must plan and organise their systems to ensure that every child receives an enjoyable and challenging learning and development experience that is tailored to meet their individual needs.

## **Partnership / Parental involvement**

### **Policy statement**

We believe that children benefit most from early years education and care when parents and settings work together in partnership.

Our aim is to support parents as their children's first and most important educators by involving them in their children's education and in the full life of the setting.

Some parents are less well represented in early years settings; these include fathers, parents who live apart from their children but who still play a part in their lives as well as working parents. In carrying out the following procedures, we will ensure all parents are included.

### **Procedures**

- We have a means to ensure all parents are included – that may mean we have different strategies for involving fathers or parents who work or live apart from their children.
- We consult with all parents to find out what works best for them.
- We ensure ongoing dialogue with parents to improve our knowledge of the needs of their children and to support their families.
- We inform all parents about how the setting is run and its policies through access to written information and through regular informal communication
- We inform all parents on a regular basis about their children's progress.
- We involve parents in the shared record keeping about their children - either formally or informally - and ensure parents have access to their children's 'All about me' developmental records.
- We provide opportunities for parents to contribute their own skills, knowledge, and interests to the activities of the setting.
- We inform parents about relevant conferences, workshops, and training.
- We provide information about opportunities to be involved in the setting in ways that are accessible to working parents, or those for whom English is an additional language.
- We hold meetings in venues that are accessible and appropriate for all.
- We welcome the contributions of parents; in whatever form these may take.

- We inform all parents of the systems for registering queries, complaints or suggestions and check to ensure these are understood. All parents have access to our written complaint's procedure.
- We provide opportunities for parents to learn about the curriculum offered in the setting and about young children's learning, in the setting and at home. This is displayed in our entrance hall and emailed to the parents weekly.
- Parents are kept up to date with information, through the Little Greg's Website, Facebook Page and Newsletters.
